

# Machine Learning University

## Certificate of Completion

is hereby granted to

Arjit Mathur

---

For completing the course

### Building LLM Applications with LangChain

September 22, 2024

Machine Learning University

**Machine Learning University** is an internal Amazon program that democratizes access to machine learning and generative AI education. We empower employees to identify opportunities, collaborate effectively on AI projects, and accelerate model deployment to production.

*Disclaimer: This certificate is issued to individuals after completion of a Machine Learning University course. This is not a legal document.*
